Menu **aws** **My Account** **Language** **Sign In to the Console**

AWS CloudUp for Her Cloud Practitioner is a flexible learning pathway for women globally. If you're a student thinking about a career in tech, or a professional looking to re-skill, cross skill, or simply cloud curious, this is for you! This learning pathway will set you up for success on your cloud learning journey and help gain the global recognition of achieving your AWS Certified Cloud Practitioner certification.

Just follow the recommended preparation path to help you earn your AWS Certification. Start with free training from AWS, including access to **AWS Cloud Practitioner Essentials** digital training resource on **Skill Builder** to help you prepare for the AWS Certified Cloud Practitioner exam.

Why should you earn an AWS Certification?
When you're skilled, you know it. When you're certified, everyone knows it.

You can gain new skills, demonstrate your potential, and start planning a career in the cloud. Becoming an AWS Certified Cloud Practitioner demonstrates you have an overall understanding of the AWS Cloud. You'll also build your credibility and confidence with the cloud skills required to innovate faster.**ESG Research Insights Paper Commissioned by AWS, [Understanding the Value of AWS Certifications to Organizations, 2020](#).

Why should you join AWS CloudUp for Her Cloud Practitioner?
By completing this learning pathway, you'll be eligible for a 50% discount on the AWS Certified Cloud Practitioner exam, when you schedule your exam with Pearson VUE. This learning pathway ends November 30, 2023, so sign up today to get AWS Certified in 2023.

[AWS Skill Builder](#) | [Login with Amazon](#)
- If you are part of an AWS partner organization, use your work email to access the full Partner course catalog.
[AWS Skill Builder](#) | [Partner Log In](#)
- Bookmark the resource hub.

You can access resources like exam guides, links to training and recommended technical documentation: [Resource hub for AWS Certified Cloud Practitioner](#)

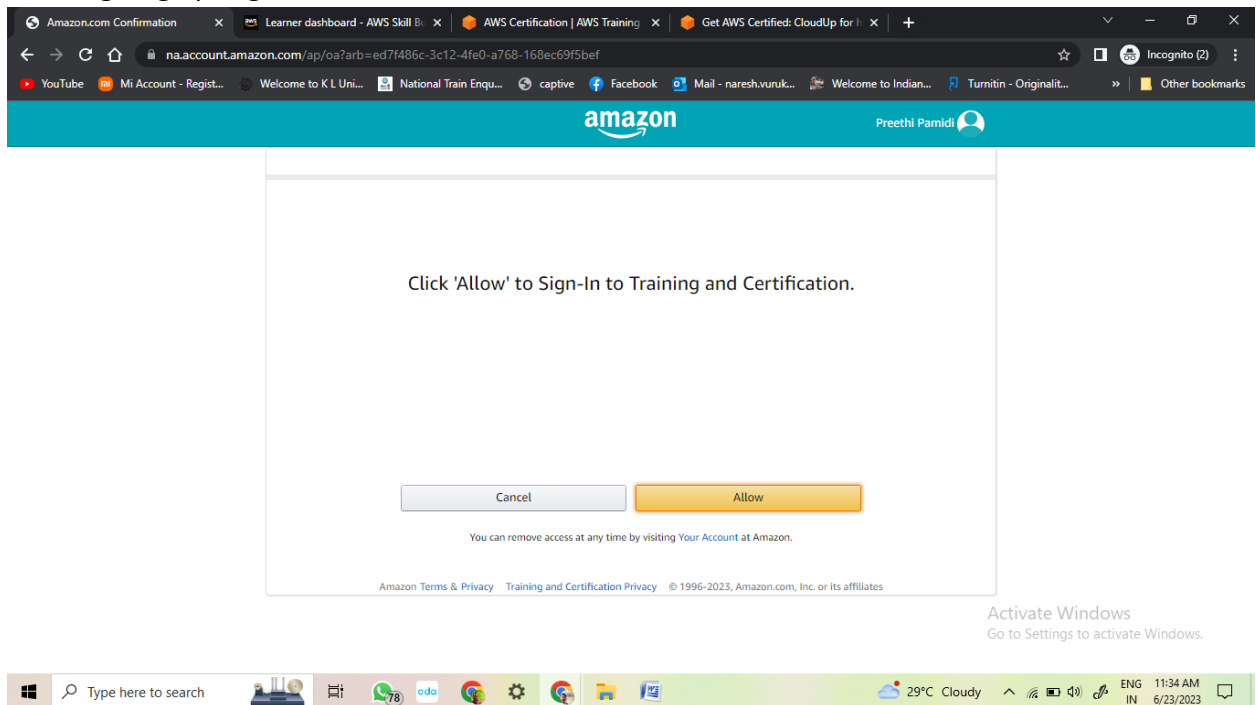

4. Create an AWS account with the previously entered mail-id and phone number and sign up into the AWS skill builder.

The screenshot shows a web browser window with the Amazon Sign-In page. The address bar displays a URL from na.account.amazon.com. The page features the Amazon logo at the top. The main content area is titled "Sign in" and contains a form with two input fields: "Email or mobile phone number" and "Password". A "Forgot your password?" link is positioned next to the password field. Below the fields is a yellow "Sign in" button. Underneath the button, there is a line of text stating "By continuing, you agree to Amazon's Conditions of Use and Privacy Notice." followed by a checkbox labeled "Keep me signed in. Details". At the bottom of the sign-in section, there is a link "New to Amazon?" and a grey button labeled "Create your Amazon account". The footer of the page includes links for "Amazon Terms" and "Privacy", a copyright notice "© 1996-2023, Amazon.com, Inc. or its affiliates", and a "Activate Windows" watermark. The browser's taskbar at the bottom shows various application icons, a search bar, and system status information including temperature (29°C), weather (Cloudy), and time (11:29 AM on 6/23/2023).

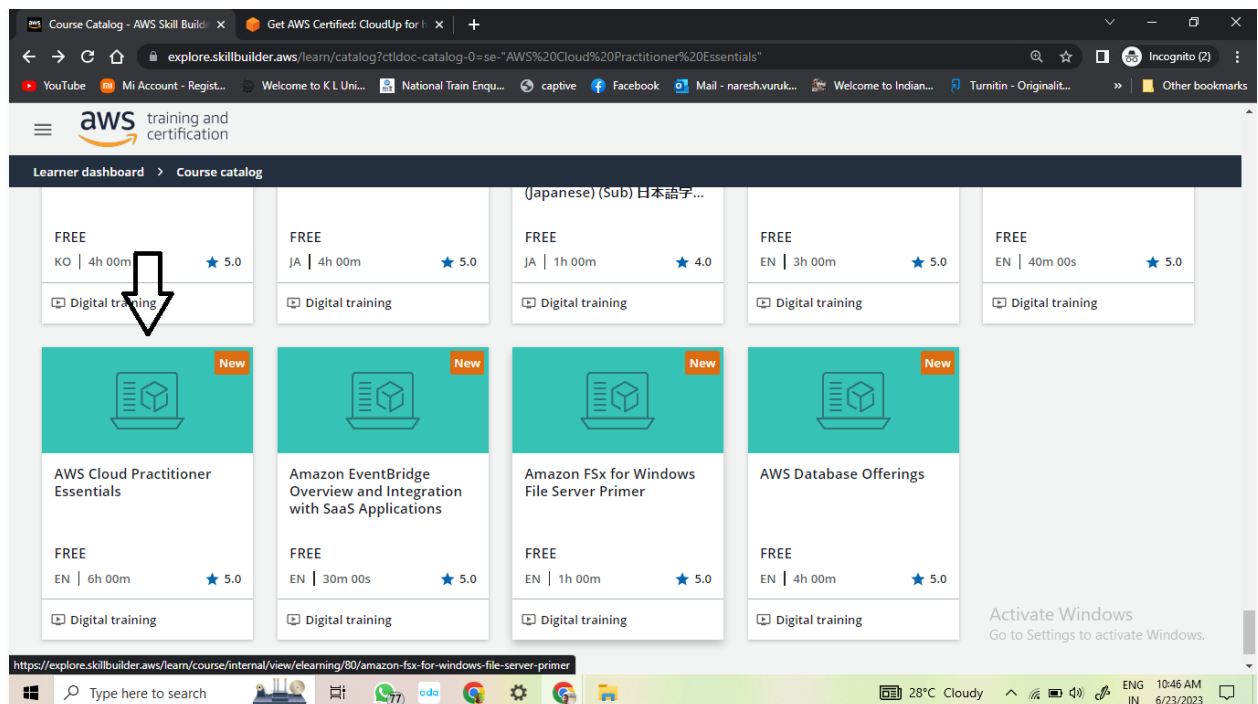

NOTE: Do not use the mail-id and phone number already associated with your existing AWS Skill Builder account.

5. After signing up, sign-in into the AWS skill builder
